Student Feedback

Because of monetary and family reasons, students often avoid these visits. It is high time that you realise the importance of these visits and take them as an opportunity to learn about your dream career.

ADDANKI MAHESH, III-ECE

I 21X21A0401

Industrial visits represent important activities in any engineering undergraduate programme that

contribute to the achievement of various essential learning outcomes and programme objectives. ...

This is achieved through identifying learning outcomes and a suitable industrial site to achieve them.

GERA SALMAN RAJU, III-ECE

21X21A0407

Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum and objectives of industrial visit is to provide students an insight regarding internal working of companies.

KOTA CHARLES BABU, III-ECE

21X21A0413

We know, theoretical knowledge is not enough for making a good professional career. With an aim to go beyond academics, industrial visit provides student a practical perspective on the world of work. Industrial realities are opened to the students through industrial visits.

21X21A0420

Industrial visits offer a great source to gain practical knowledge. Students can observe and learn as to how theoretical concepts are put to into action, thereby aiding their practical learning. Students are exposed to real working environment and shown how things are done in an organisation.

THALATHOTI SUJITH, III-ECE

21X21A0426

Industrial visits provide an excellent opportunity for the students to interact with industries and know more about industrial environment. This interaction gave the students an exposure to the practices as opposed to possibly theoretical knowledge being taught at college.

ULLANGULA SANDEEP, III-ECE

21X21A0427

Industrial visits are arranged by department for the students with an objective of providing them functional opportunity in different sectors which also helps to combine theoretical knowledge with industrial knowledge.
