| <b>Description:</b>        | <p><b>Solid-waste management</b>, the collecting, treating, and disposing of solid material that is discarded because it has served its purpose or is no longer useful. Improper disposal of municipal <u>solid waste</u> can create unsanitary conditions, and these conditions in turn can lead to <u>pollution</u> of the <u>environment</u> and to outbreaks of vector-borne disease—that is, diseases spread by <u>rodents</u> and <u>insects</u>. The tasks of solid-waste management present complex technical challenges. They also pose a wide variety of administrative, economic, and social problems that must be managed and solved.</p> |

| <b>Description:</b>        | <p>Pulse polio awareness programme is organized by our collage NSS unit. This programme involved simultaneous administration of polio drops to children less than three years of age on a single day throughout the nation. Under this programme, 2 doses of vaccines are given 4-6 weeks apart. The days on which this programme is carried out are pre-fixed and are called National Immunization Days. Pulse Polio is an immunization campaign established by the government of India to eliminate poliomyelitis (polio) in India by vaccinating all children under the age of five years against the polio virus. The project fights polio through a large-scale, pulse vaccination programme and monitoring for poliomyelitis cases NSS volunteers, faculty and some other students. These all members are interested to participate this awareness programme.</p> |

| <b>Description:</b>        | <p>"Awareness Programme on Nutrition for School Children": Our college's NSS unit has successfully orchestrated an insightful "Awareness Programme on Nutrition for School Children" at Chintalapudi Village. This initiative was meticulously designed to educate and raise awareness about the crucial role of nutrition in children's growth and development. Our faculty members shared invaluable insights on the importance of balanced diets, the role of different nutrients, and the impact of nutritional deficiencies on children's health and academic performance. They underscored the significance of adopting healthy eating habits, drinking plenty of water, and the role of school meals in ensuring nutritional adequacy. The event witnessed enthusiastic participation from NSS volunteers, staff, and students. The participants expressed their appreciation for the knowledge imparted and recognized the urgency of addressing nutritional challenges among school children. The programme concluded with a commitment to continue such initiatives and spread awareness about the importance of nutrition for school children. We are proud of our students and faculty for their active participation and dedication to making a difference. Let's continue to learn, grow, and promote healthy nutrition together!</p> |

| <b>Description:</b>        | <p>Our awareness program on charity for old age homes, titled "Caring Hearts: Bridging Generations," is a heartfelt initiative designed to foster compassion and support for the elderly in our community. This program seeks to shed light on the challenges faced by seniors in old age homes and encourages individuals, businesses, and communities to actively engage in charitable efforts.</p> <p>In essence, "Caring Hearts: Bridging Generations" is not just a charity program; it's a movement to create a more compassionate and inclusive society, where every elderly individual feels valued, cherished, and supported. Through collective efforts, we aspire to build a community where the wisdom of our elders is acknowledged, and their golden years are filled with love and care.</p> |

| <b>Description:</b>        | This awareness programme is organized by our collage NSS volunteers. This programme at Duggirala surrounds villages. Our faculty also explained about awareness. NSS volunteers and staff all participate this programme. Focuses on making people aware of global warming and climate change and promoting efforts towards saving electricity resources. With a growing population, the requirement for electricity recourses also increasing. Electricity conservation is an effort made to reduce the consumption and save for the future. Students and faculty were very happy and interested to participate. |
