PROGRAM REPORT

NSS Unit Code:	90214730
Title of the Event:	Awareness programme on solid waste management
Event Start Date:	25.01.2020
Event End Date:	25.01.2020
Description:	<p>This awareness programme on solid waste management was organized by the collage NSS unit. Mainly refers to the complete process of how to separate wet and dry waste and collecting, treating and disposing. The wastes are collected from different sources and are disposed of. It needs to be monitored so that strict regulations and guidelines. Vehicles were used to collect and transport wastes. A significant development in solid-waste treatment and disposal practices was marked by the construction of the first refuse incinerator in England in 1874. Even then, however, most of the largest cities were still using primitive disposal methods such as open dumping on land or in water. In this programme Participate the NSS volunteers, faculty and some other students. These all members are interested to participate this awareness programme.</p>
