Engineer's Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineer's in India and Bharat Ratna recipient, Sir Mokshagundam Visvesvarayyagaru, recognizing his contributions in harnessing water resources in India. He had successfully designed and constructed several river dams, bridges and revolutionized the irrigation system all over India.

Engineers in India contribute greatly to the nation's technological and industrial growth. There really is no limit to what engineers can do. The main objective of the event was to encourage self evaluation, motivation, effective communication and team building among the students.

The **principal**, PITS addressed the students and advised them to take Dr M Visvesvarayyagaru as their role model, be confident in their mission and sharpen their skills to meet the global industrial demands and encouraged the students to broaden their perspective and enhance their skills to be successful.
