POLICY DOCUMENT

FINANCIAL ASSISTANCE FOR ATTENDING FDPs/RESEARCH WORKS/ CONFERENCES/ WORKSHOPS /SEMINARS / SYMPOSIA/ COURSERA/ PUBLICATIONS

INTRODUCTION

Priyadarshini Institute of Technology And Science enhances the knowledge of its faculty through research and innovation. The institution updates its faculty by expanding its facilities. Research skills, and by providing a place for them to share their knowledge, experience and research with the rest of the world, the college encourages its faculty by providing financial assistance to the teaching staff to conduct research in the college. I attended FDPs, conferences, workshops, seminars, symposia, courses, and publications at the national and international levels and obtained professional membership in the relevant fields. It aims to strengthen the standard of the faculty by encouraging them to attend training in emerging areas and new technologies.

OBJECTIVE

- To improve the educational qualifications and knowledge of the teachers to meet the present requirements.
- To create a healthy platform for teachers to share their knowledge and thoughts.
- To interact with eminent people, industrialists, academicians and scientists from research institutions to improve teacher's in-depth knowledge of subjects.
- To instill a research tendency in faculty members and to improve their research skills.
- To faster the development of multidiscipline, research endeavors across faculties and departments.

ELIGIBILITY

The regular teaching faculty of the institution is eligible for financial assistance. Assistance is given to those attending FDPs, research work, seminars, workshops, conferences, and symposia at the state, national and international levels. Financial assistance is given to the research projects and publications published in reputed journals like Scopus, Web of Science, and SCI-indexed journals. Regular employees are given financial assistance to attend NPTEL courses and short-term certification courses in order to keep up with emerging technologies.
