Feedback on facilities for Academic Year 2022-2023

SUMMARY

The feedback addressed issues like the suitability of the course and its need-based outcomes. The responses were also taken from them about the weight of the feedback on a 5-point scale.

Students suggested more technical exposures and hands-on experience to enhance their technical skills in their field of expertise. Students are emphasizing more industry visits based on the courses and also suggesting strengthening of extracurricular activities.

Majority of the students were completely satisfied with overall facilities available in the college.

Feedback on facilities for Academic Year 2020-2021

SUMMARY

The feedback addressed issues like the suitability of the course and its need-based outcomes. The responses were also taken from them about the weight of the feedback on a 5-point scale.

Students suggested more technical exposures and hands-on experience to enhance their technical skills in their field of expertise. Students are emphasizing more industry visits based on the courses and also suggesting strengthening of extracurricular activities.

Majority of the students were completely satisfied with overall facilities available in the college.
